---

*Notification.*

It is hereby notified for the information of the general public that the right of fishery of Ayyanakere Tank, Kadur Taluk, will be sold by public auction on Friday the 28th April 1933, by the Assistant Engineer, Kadur Sub-Division. Intending bidders may appear and purchase the same in the auction.

*Notification dated 3rd April 1933.*

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Kadur Division, up to 1st May 1933, till 3 P.M. for lay out of Sanigere-Huligere Road, Kadur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of December 1933.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chikmagalur between the hours of 11 A.M. and 5 P.M. on working days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 110 in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for lay out of Sanigere-Huligere Road, Kadur Taluk," in default of which the tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond, in default of which his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the Notice Board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

9. Rates should be quoted for each and every item.

10. Percentage quotations either below the lowest tender or below the estimated rates will not be accepted.

11. In all matters of dispute regarding quality of work or rates, the decision of the Superintending Engineer, Shimoga Circle, Shimoga, is final and legally binding.

12. No claims of enhanced rates should be preferred after the acceptance of tender or at any time during execution of work.

13. For lumpsum items and also items found necessary during execution, rates as per current schedule rates or at tendered rates for such of the items as form a portion in lumpsum provision or as per data worked out and approved by the Superintending Engineer, Shimoga Circle, will be allowed.

14. No representations regarding rates, etc., for the rejected tenderers will be considered.

15. The contractor shall hold himself responsible for good behaviour of his employees of all grades.
